ATHLETIC ENDEAVORS

Redbirds Struggle Through Rough Season

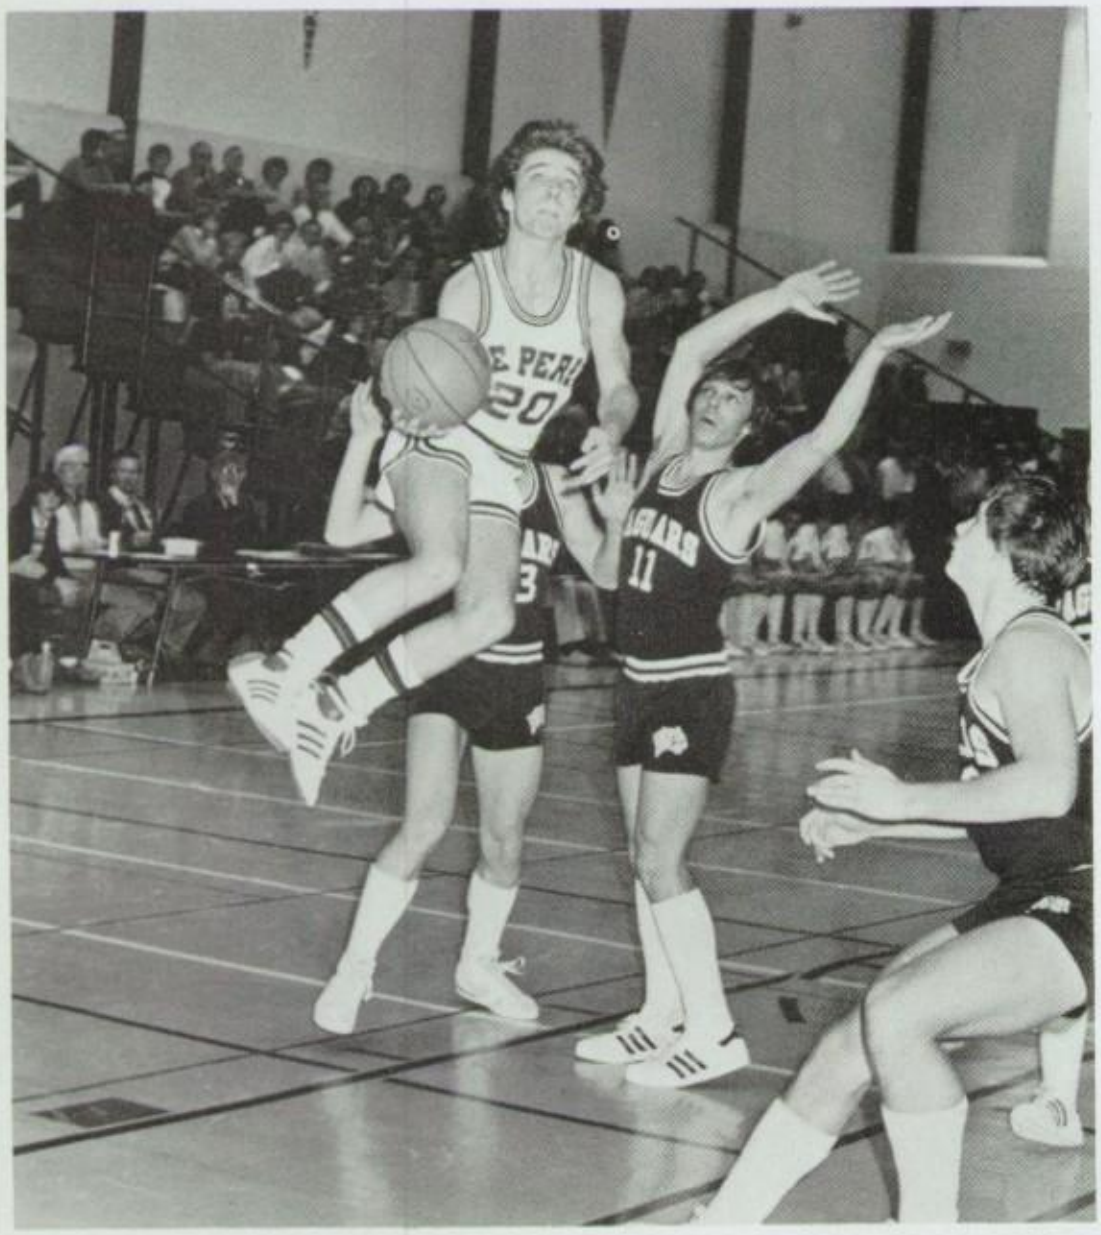
This may have been a "rebuilding" year for the boys' varsity basketball team. Last year the team graduated starters Todd Dickinson, Tim Kowalczyk, Steve Feller, and Mike Ruf. The only returning starter was senior Rick Burnton.

This year's team was composed of more juniors than seniors, so inexperience played a major factor in the team's unsuccessful season.

Despite the losses, there were many highlights this season. Big wins over West De Pere and New London were just a couple. The Redbirds nearly defeated Bay conference champion, BayPort, at home and pre-season conference champion choice Shawano on their court. The Redbirds defeated West DePere in their first regional tournament game, and played an impressive regional championship game against Southwest, which they lost on a last second shot.

With experienced juniors returning next year and with a good crop of new talent, the Redbirds should return to their traditional winning ways next year.

Determination written on his face, R. Burnton puts up a jump shot.



P. Trachte makes a French pastry move for an easy bucket.

S. Bollom attempts to dribble around a Pulaski defender.

De Pere Gymnasts Have "Beaming" Season

Despite the lack of school support, the De Pere gymnastics team finished the season with an undefeated record of 9-0 for dual meets. Judging from the turnout of student body at the home meets, it is possible to conclude that perhaps the students in this school don't know that De Pere has a gymnastics team. Yes, there is a team and the gymnasts put out a great effort to obtain their undefeated record. They overcame some injuries during the season, losing junior Barb Adams when she broke her ankle. But they fought back to remain victorious.

The team would like to thank the few spectators who did show up to support and cheer the team to victory. With only two seniors, Jennie VandenBurgt and Katie Webb, graduating, the Redbirds expect to have another successful season next year.

This year's Redbird varsity volleyball team started off the season with a new coach, Mrs. Huppert. The team started out showing great determination, spirit, and enthusiasm, which continued through the season. The Redbirds put forth a big effort to overcome last year's losing streak, and the results showed. This year the team finished with an overall season record of 8-10 and a well deserved 5th place in the Bay Conference. Congratulations team and coach, Mrs. Huppert.

Waiting . . . hoping . . . anticipating . . . a spectacular play.

K. Klug and D. Bruegge are ready for anything.

The De Pere Redbirds are all fired up.

Katie Webb Highlights Disappointing Season

For the past six years the boys cross-country team took the Bay Conference Championship, but this winning streak came to a halt this season as the team came in third place. It was a rather disappointing season for both the boys and girls as the boys finished with only two firsts and the girls with none. Though there was much more interest in the sport this year, there was no one real star runner on the boys team. This, however, was not the case for the girls. Senior Katie Webb had quite the opposite of a disappointing season. She set seven course records and remained undefeated in the Bay Conference, winning every meet by margins of 30 seconds to one minute. She took the Sectional Championship which earned her a place in the state competition held in Wausau. Because of her fine accomplishments through the season, she was a favorite for the state title.

De Pere's star runner, Katie Webb, stays ahead to set another of her many course records.

Jon McDonough struggles to keep the lead from his opponent close behind.

Cross-Country Team: *Row one: E. Nitka, J. VanStraten, K. Webb, D. McCasey, J. Gilling, D. McMillan, J. McDonough, W. VanStraten, S. Kuehne, K. Noyes, P. Boersma. Row two: Coach B. Christenson, S. Kuehne, D. Beining, T. Tymus, M. Boyd, C. Forstner, A. Schumacher, P. Bergum, M. Christenson, T.J. Dickey, J. Steinfeldt, P. VanErem, Coach T. Tanck.*

A. Schumacher, one of the top runners on the team, keeps the difficult pace.

De Pere girls, Wendy VanStraten, Terry Jo Dickey, and Jean Steinfeldt, stick together as they fight to pull ahead of their opponents.

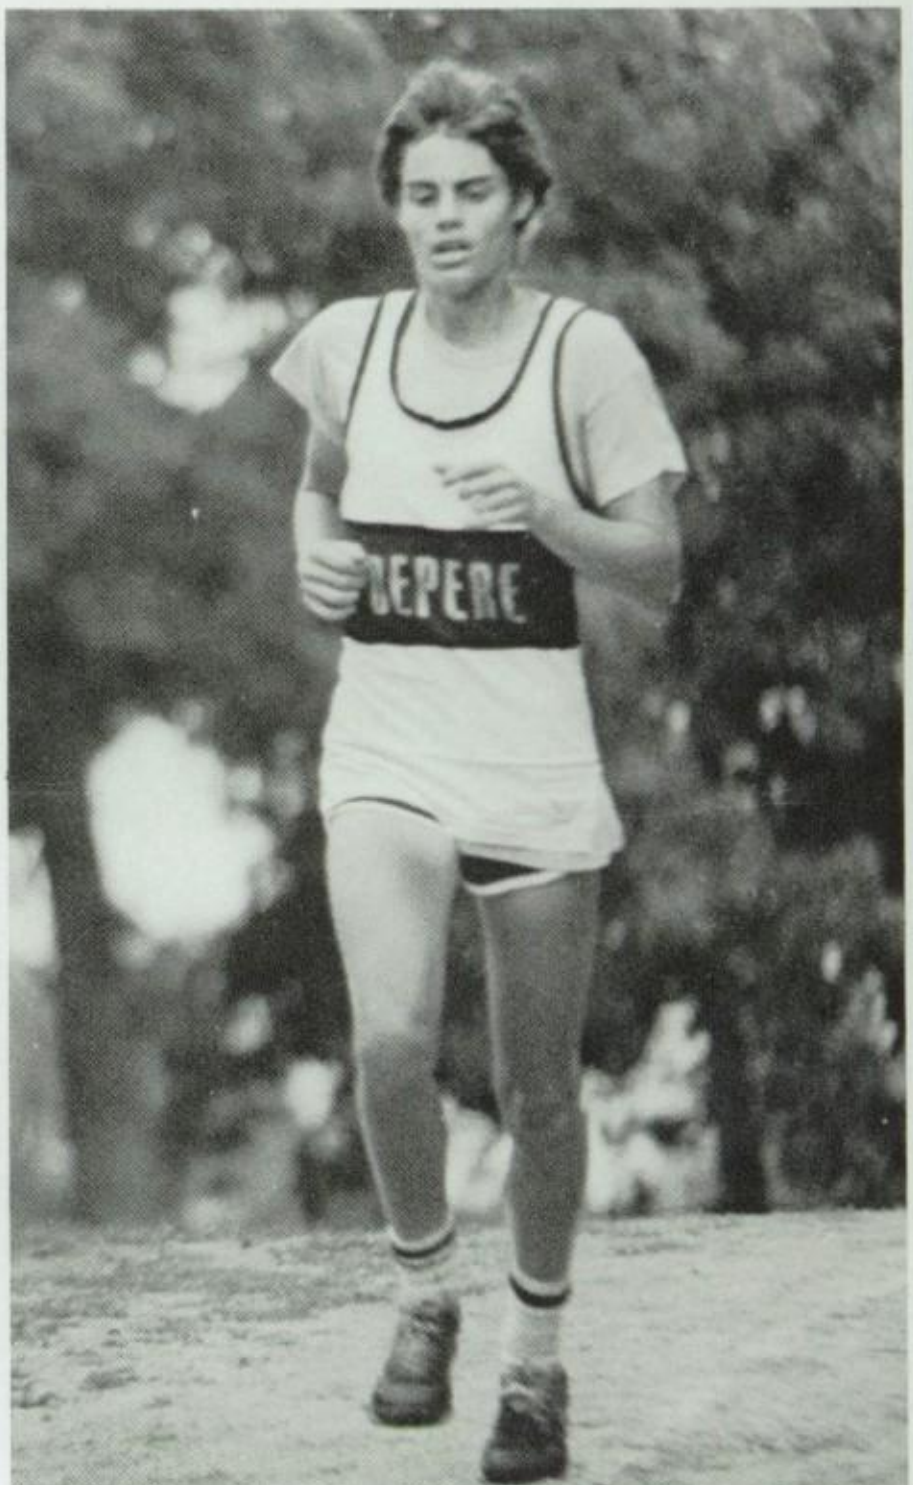
Premiere runner, Katie Webb, is all alone as she breezes to another victory.

With fatigue showing on their faces, Joe Gilling and Dan McMillan struggle to a fine finish.

Left: Mary Boyd shows her talent as she easily climbs the steep hill.

Congratulations to the seniors: Andy Schumacher, Jon McDonough, Paul Bergum, Dan McMillan, Pete VanErem, Terry Jo Dickey, and Katie Webb for the fine effort that was put out for the past four years. Their contributions will be missed.

First year runner, Tracy Tymus, makes running look easy.



Determined to keep on going, Paul Bergum struggles to finish another difficult race.

As usual, Katie Webb gets to the head of the pack. De Pere's Wendy VanStraten, Terry Jo Dickey, and Tracy Tymus run around the side as they try to pull ahead.

With a good finish in mind, Wendy VanStraten strains to the finish.

St. Norbert College

Few colleges can offer students an excellent academic program and an exciting student life. St. Norbert can. Few colleges have built a new gym and an award winning library in the last three years — debt free. St. Norbert has. Few colleges offer foreign study in nine different countries. St. Norbert does.

Few colleges offer diversity, yet a sense of community, the scholastic quality and extracurricular opportunity, the environmental beauty and impressive credentials that St. Norbert College has consistently been able to give its students.

Founded 82 years ago as a Norbertine abbey school to provide "religious and classical" education, St. Norbert College embraces an educational philosophy which fosters the development of four qualities in each individual — intellectual, spiritual, moral and physical.

A yearbook is a mirror, reflecting memories of the past and giving glimpses of the future. As we look back on our days at De Pere High School, we must learn from our experiences and use them to get ready for the day when we must leave our high school days behind.

This year's Fox staff has tried to make this yearbook into an accurate record of the school year. It may not be perfect, but it is the product of many long hours and a lot of hard work. As editor, I would like to express special thanks to Mr. Wiza and to those on the staff who worked throughout the year and allowed this annual to come about.

Students Go Wild . . .

When the monotony of winter becomes too much to handle and the school day seems to drag on, there is only one alternative; Go Wild! And Spring Fling Week provided the perfect opportunity.

The week began with Rainbow Day where students were decked out in their ultra-bright colors. Rainbow Day was followed by Radical Day when students were dressed in the clothes of the sixties and even went so far as to dye their hair. Wednesday was Spring Cleaning Day. Dressing grubby was found to be in the height of fashion. Thursday — Flood Day. Ankle-high pants and waders were worn. The week ended with Hawaiian Day. Hula skirts, flowered shirts, and colored leis were all a part of the garb.

All in all the week was a great success, giving students and faculty alike a chance to . . . Go Wild!

A common example of two of our more conservative teachers.

Inexperience And Errors Key Baseball's Losses

De Pere baseball is on the upswing. Ten letterwinners will be returning to next year's squad. The team, however, was like an almost finished T-bone steak. It looked good in the beginning, but something was missing. It was seasoning. Inexperience and errors were key factors in every game. The team showed good composure throughout the year. Many losses were because of mistakes. If you never make the same mistake twice, the team should be undefeated next year!

Outstanding players: Catcher Bill Nelson had the leading batting average, and third baseman Jay Borman had the most RBI's.
